Comments on business activity

Revenue in France rose to €435.5 million in the first half, representing total growth of 12.6% and organic growth of 12.2%. Business activity in France picked up slightly in the second quarter with 13.4% organic growth, up from 11.0% in the first quarter. Sales volumes remained buoyant in all sectors in which the Group operates.

In Europe (excluding France), revenue came to €94.2 million in the first half, representing total growth of 8.4% and organic growth of 7.7%. This performance was in line with expectations. Sopra Group continues to implement its strategy in Europe which targets transforming its subsidiaries' business models and bringing them in line with the business model employed in France.

Outlook

Sopra Group confirms its organic growth target for full-year 2011 but expects growth to slow in the second half due to an unfavourable comparison basis and two fewer billable days relative to last year.

The Group expects to see improvement in its operating margin for the first half of the year.
